- C. 3 pills
- D. 4 pills

15. What should Maria drink when she takes the pills?

- A. Water
- B. Milk
- C. Juice
- D. Soda

David has been working as a mechanic at Sam's Auto Shop for 6 months. He works Monday through Friday from 8:00 to 5:00. He is making more money now than when he was a busboy at the restaurant. He also receives medical and dental benefits for his family. Starting next month, he will be able to put money away in a retirement plan through work. He wants to talk to his boss about working overtime. David would like to earn some more money by working weekends.

His wife Maria is also working. She is a cashier at Save-Money Supermarket. She likes her job, but she has to work weekends. She is still studying English at the adult school. She wants to help their children with their schoolwork. David and Maria are lucky that Maria's mother lives with them. She can watch the children while David and Maria are at work, and she can pick them up from school.

16. Why is Maria studying English?

- A. She wants to get a better job.
- B. She wants to go to college.
- C. She wants to be a nurse.
- D. She wants to help her children with their schoolwork.

17. What does David want to talk to his boss about?

- A. He wants to quit his job.
- B. He wants to work more hours so he can earn more money.
- C. He wants to take vacation.
- D. He wants to work shorter days.
