

**I Am A Man Of Constant Sorrow**  
**by the Soggy Bottom Boys**

I am the man of constant sorrow  
I've seen trouble all my days  
I bid farewell to ol' Kentucky  
The place where I was born and raised.

The place where he was born and raised

For six long years I've been in trouble,  
no pleasure here on earth I've found  
For in this world, I'm bound to ramble,  
I have no friends to help me now.

He has no friends to help him now

It's fair thee well, my old true lover,  
I never expect to see you again.  
For I'm bound to ride that Northern Railroad,  
perhaps I'll die upon this train

Perhaps he'll die upon this train

You can bury me in some deep valley,  
For many years where I may lay.  
And you may learn to love another  
while I am sleeping in my grave.

While he is sleeping in his grave

Maybe your friends think I'm just a stranger  
My face you never will see no more  
But there is one promise that is given,  
I'll meet you on Gods golden shore

He'll meet you on God's golden shore

I am the man of constant sorrow
