

## Lean On Me

by Bill Withers

Sometimes in our lives  
We all have pain  
We all have sorrow  
But if we are wise  
We know that there's always tomorrow

Lean on me, when you're not strong  
And I'll be your friend  
I'll help you carry on  
For it won't be long  
'Til I'm gonna need  
Somebody to lean on

Please swallow your pride  
If I have things you need to borrow  
For no one can fill those of your needs  
That you won't let show

You just call on me brother, when you need a hand  
We all need somebody to lean on  
I just might have a problem that you'd understand  
We all need somebody to lean on

Lean on me, when you're not strong  
And I'll be your friend  
I'll help you carry on  
For it won't be long  
'Til I'm gonna need  
Somebody to lean on

You just call on me brother, when you need a hand  
We all need somebody to lean on  
I just might have a problem that you'd understand  
We all need somebody to lean on

If there is a load you have to bear  
That you can't carry  
I'm right up the road  
I'll share your load  
If you just call me  
Call me (if you need a friend)
